

Dear Guild Member

**LEEDS CIVIC ARTS GUILD AWARDS EVENING – 6th SEPTEMBER 2008
A TRIBUTE TO TONY HOYLAND**

As you may be aware, this year's Awards Evening will take the form of a tribute to Tony's life and times. Traditionally we ask Societies to put together items for the evening to intersperse with the Awards. This year we are doing things slightly differently !!

Firstly, the main Auditorium will be turned into a cabaret venue for the evening, rather than a theatre. If you went to the Twin Souls concerts, you will know what I mean.

Secondly, we are continuing Tony's theme of working together, and asking members of the Guild to work together to present music and drama that represents different elements of Tony's life. As such we have appointed a number of Directors to each put together a 10 minute cabaret item and we now need volunteers from across different Societies to take part in those items. And that means YOU !!!!! We are looking for singers, dancers and actors ; children and adults - so perhaps all you frustrated singers from the drama groups can now get a chance to show your talents? And vice versa.

We have arranged to present our ideas in more detail and let you know what we are looking for, at a couple of sessions at The Carriageworks on **Monday 7th July** – one at 6.00 pm and another at 7.30 pm. So, if you want to be involved please come along to one of the sessions. We will be holding informal auditions the following day – **Tuesday 8th July** between 6.00 pm until 9.30 pm.

Tickets, at £3 each, for the Awards Evening will go on sale through the Carriageworks Box Office from Tuesday 1st July. Or, you could book a table for 8 or 10 people.

Thanks
