QUARTET

It's summer, in a retirement home for aged musicians, and three retired opera singers joke and reminisce about their lives on stage as they prepare to celebrate Verdi's birthday, which brings to mind their successful recording of the quartet from *Rigoletto*.

However, four people are needed for a quartet, and a new arrival seems to be the perfect answer, though at first she serves only to upset the equilibrium of the status quo. This charming play, by award-winning playwright Ronald Harwood, is at once funny and poignant and is sure to delight.
